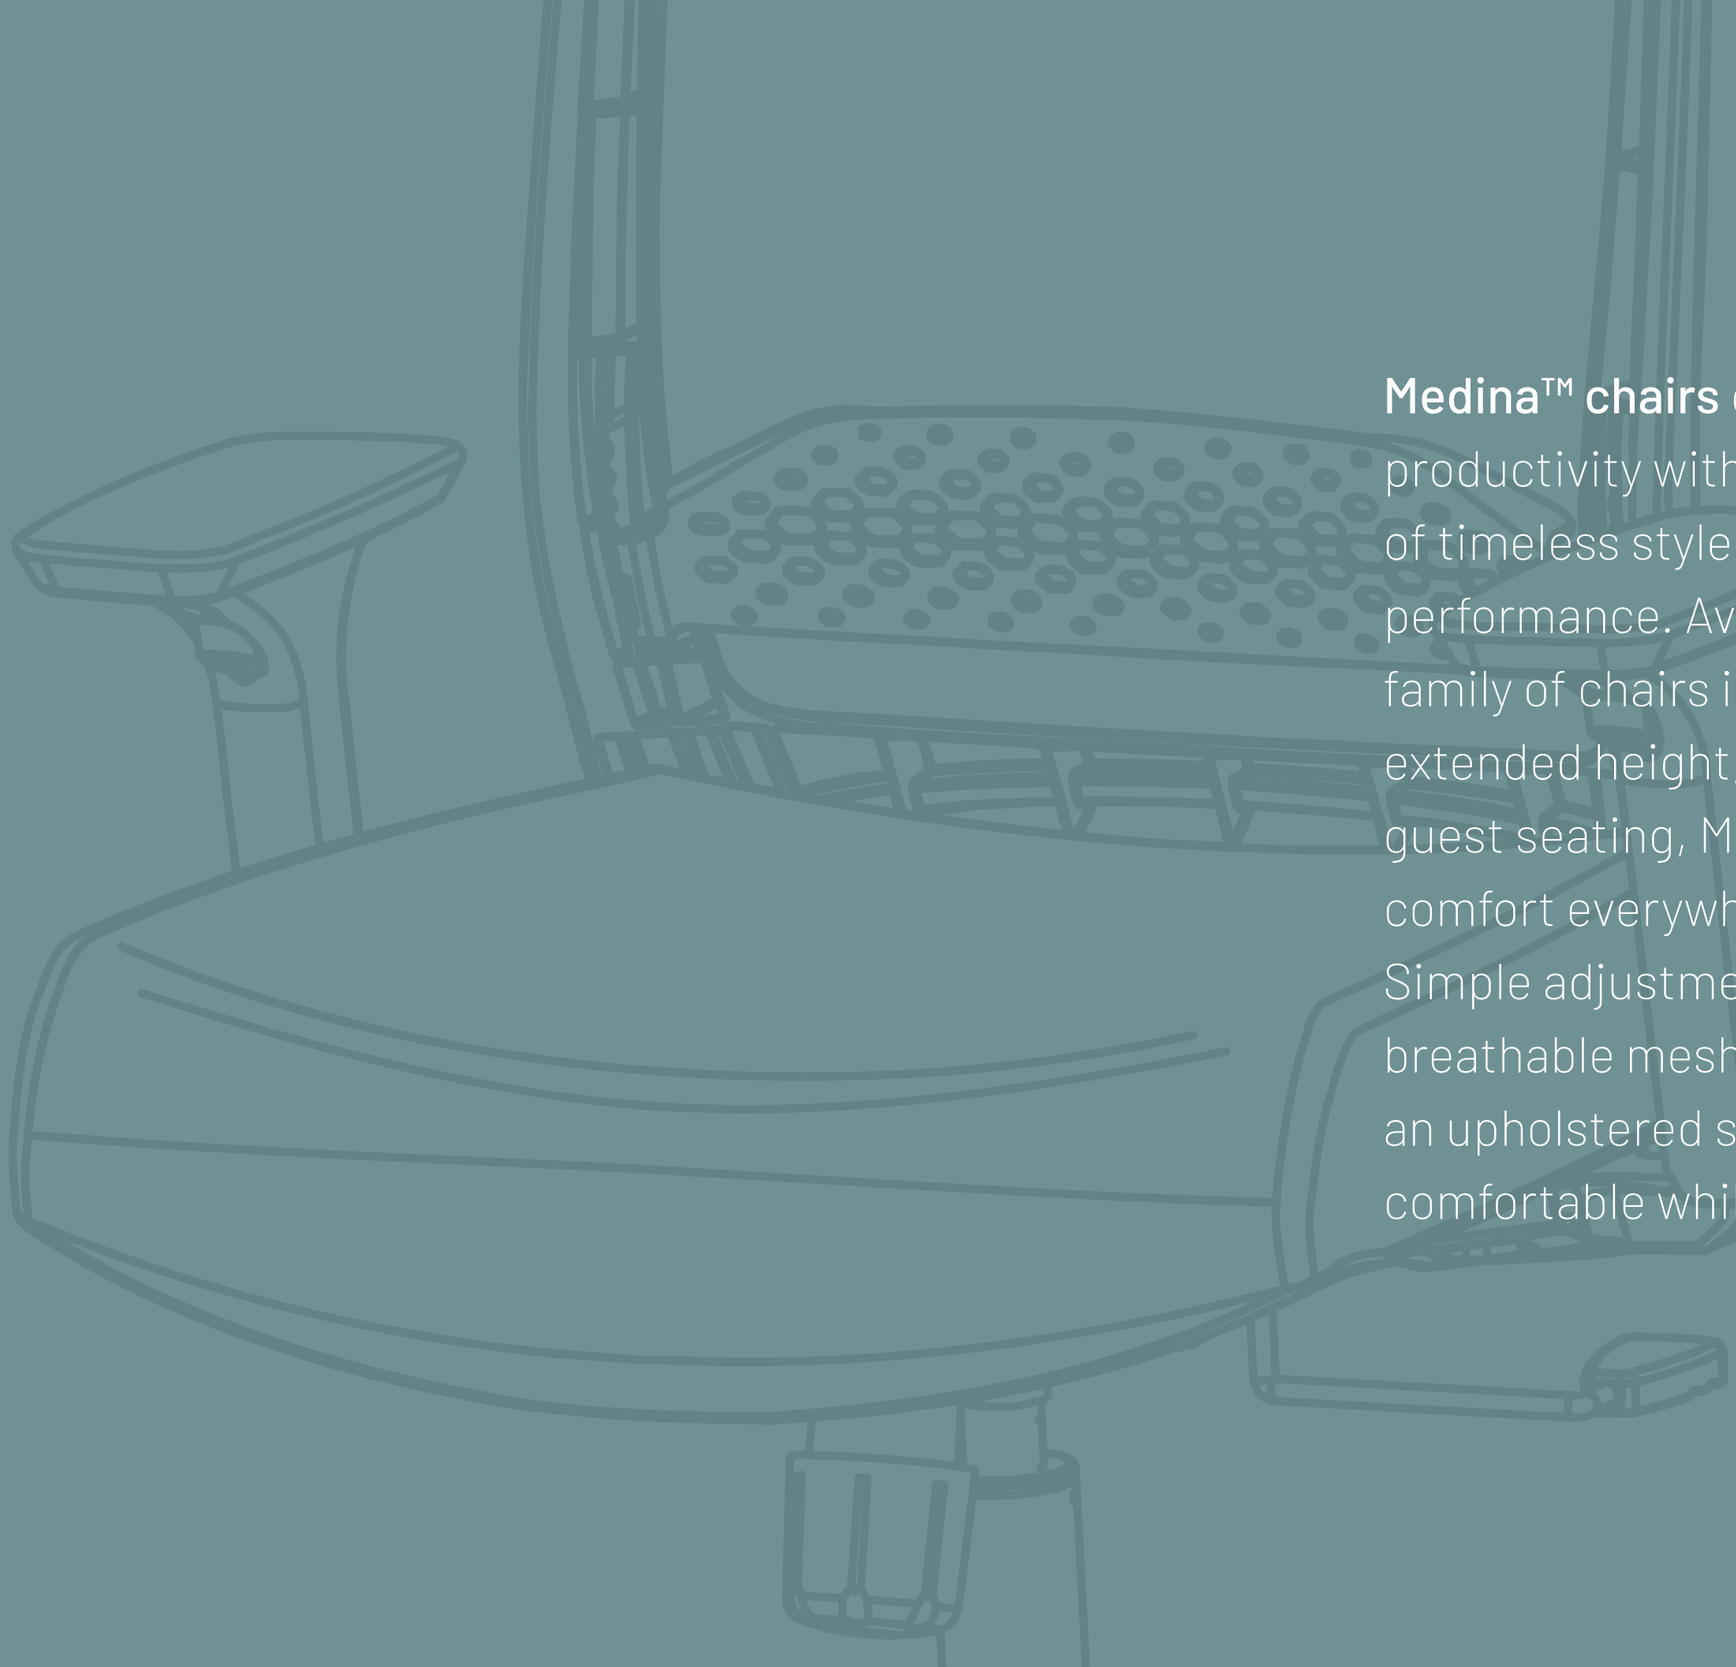
Medina™ Seating

Share • Focus • Learn • Create



Medina™ chairs chairs boost your productivity with a purposeful blend of timeless style and ergonomic performance. Available as a complete family of chairs including task, extended height, conference, and guest seating, Medina offers inviting comfort everywhere your work happens. Simple adjustments and a supportive, breathable mesh back combined with an upholstered seat allow you to stay comfortable while focusing on your work.

Guest Chair

Welcome guests with inviting comfort. The versatile Medina Guest Chair is an ideal solution for guest seating, training rooms, cafeterias, and break areas. A mesh back and cushioned seat provide instant support and comfort, while smooth-rolling casters allow for easy mobility.

Origin Sodalite seat with Grey Mesh Back

Conference Chair

Complete comfort for collaborative activities. Ideal for conference rooms, meeting areas and small desking spaces, Medina's modern Conference Chairs with wheels envelop you in support with a breathable mesh back that flexes with your movements. A pneumatic seat height adjustment offer ultimate comfort for short-term seating, keeping meeting participants engaged with their work and colleagues.

Basic Task Chair

Enhance the performance of your home office or workplace with Medina task seating. With simple adjustments and supportive, breathable mesh, the Medina Basic Task Chair allows you to stay comfortable while focusing on your work.

Deluxe Task Chair

Ergonomic comfort that keeps everything easy. The Medina Deluxe Task Chair has all the supportive features you need to enhance well-being at work or in the home office. Simple, integrated adjustments make personalized comfort a breeze. A side tension knob means no more reaching under your seat, while a seat slide control lets you achieve the perfect seat depth for your size. Optional headrest with integrated coat hanger available (shown above).

Canter EPU Onyx seat with Tan Mesh Back

Orgin Gaia Seat with Gray Mesh Back

Extended-Height Chair

Take your hard work to new heights with the Medina Extended Height Office Chair. Bringing ergonomics and function to standing height desks and drafting tables, Medina adjusts from 22" to 32" for a personalized fit. The breathable mesh back combined with upholstered seat feature built-in flex for all-day comfort. Integrated arms and an adjustable foot-ring offer support for arms and legs, while the seat swivels 360 degrees for a full range of motion.
