

INDUSTRIAL PERCH STOOL

A LEAN PERCHING MACHINE

With a built in handle for easy portability and a design sturdy enough for even industrial environments, the Industrial Perch Stool may just be one of the hardest working stools you'll ever use. But that doesn't mean it isn't comfortable - the perch posture, height-adjustability and padding all create a unique seat that helps keep you upright and focused.

PRODUCT SPECS & FEATURES

- Slightly angled seat creates a perching posture that helps promote active, upright working
- Height-adjustable from 28¼"-32½" H (measured at center of seat) to suit a variety of user heights comfortably
- Built-in handle in seat for easy portability and foldable for easy storage
- Durable and easy-to-clean seat
- Grips on the base provide stability during active movements for safety
