

Resi® Open Storage

Model # RESCAB36

Enhance your office--home, at work, or otherwise--with this stylish modern storage cabinet. Its white laminate exterior complements any environment and creates a striking contrast with the maple laminate inside. A knife-edge finish on the cabinet's top provides durability, and an adjustable interior shelf means you can customize the storage unit to suit your needs. Want the cabinet to nest beneath a Resi Desk? Simply remove the feet and easily apply levelers to the bottom.
