

Safco® Simple Study Desk

Model # 5273

Whether you are learning or teaching (or helping your kids!), you deserve a study space that looks good and works as hard as you do. Abandon the kitchen table for this sleek, modern desk with laminate top and black powder-coated steel base. The design is light-in-scale, so you can tuck it into the corner of your bedroom or create the perfect learning setup in your living room. And you won't have to wait long. Our Simple Study Desk ships quickly, arrives intact, and requires minimal assembly.
