## **QUALITY & WARRANTY STATEMENTS**

#### STATEMENT OF QUALITY

At SAFCO°, we understand that quality extends beyond simple function, and we are committed to the highest level of satisfaction in the manufacture, sale, and support of our products. From concept to delivery, we integrate high levels of quality as our standard and work hard to impress our customers every day. We strive for continuous improvements in all areas of product and service by regarding our quality programs as an integral part of the company's improvement process. Safco's quality program works to provide products that meet or exceed the quality standards our customers expect. We aim to set high environmental and safety standards by offering a large collection of third-party tested products that meet standards set forth by BIFMA, UL, the State of California, and others.

#### **ENVIRONMENTAL COMMITMENTS**

SAFCO not only holds itself to strict environmental standards, but we also require suppliers to follow these standards as a total supply chain initiative. Suppliers play an important role in our longstanding commitment to perform operations in a manner consistent with sound health, safety, and environmental management practices. Because of this, suppliers are not only expected to comply with applicable health, safety and environmental laws and regulations, they are expected to seek continuous improvement within these realms. Safco continues to become an environmentally conscious company with the intention to offer more products that our customers can feel good about, and responsible practices that encourage sustainability, helping us obtain a proud standing in our community and the planet.

#### **OPERATIONS**

SAFCO advocates continuous improvement in the realms of efficient recycling and/or disposal of waste materials and improving treatment and control of waste emissions affecting air, water, and soil. We also encourage the practice of waste reduction operations such as machine efficiency, raw material utilization, conservation of soil, air, water quality, biodiversity, wildlife and aquatic habitats, the practice of sustainable forest management policies where applicable, end-of-life treatment recommendations, raw material and recycled content regulation, and legal compliance with environmental legislation.

#### LIMITED LIFETIME WARRANTY

Our warranty pledges excellence in the quality of our products. It helps protect our customers' investments and extends our continuing dedication to our customers after their initial investment.

Download our Warranty Statement here: safcoproducts.com/resources/warranty-statement

Please keep all purchase documents for the product in event the warranty is needed. Contact our Customer Service team for any warranty assistance at info@safcoproducts.com or (888) 971-6225.

#### **CUSTOM PRODUCT REQUESTS**

All requests for customization of product, sizes, or non-standard finishes must have prior approval by SAFCO's Specials Department before purchase order submission. Please email <a href="mailto:specials@safcoproducts.com">specials@safcoproducts.com</a> for approval. Limited Lifetime Warranty does not extend to custom products.

## STRAIGHT ORGANIZER FRAMES

Open frame design provides above work surface support for hanging accessories. Fixed height organizer frame mechanically fastens to the TechWorks Bench work surface and height adjusts with the bench. Frames allow for vertical adjustment of accessories in 1" increments. Frames ship knocked down.

- 14-Gauge cold rolled steel construction, organizer frames hold up to 500 lbs. evenly distributed
- Designed for horizontal and vertical integrated cable management between the frame uprights
- For back-to-back benching applications:
  - Add item TWSHUFKIT if using one shared organizer frame back-to-back (straight benches only, not compatible with corner or L benches)
  - o Add item TWUFBRACE if using two separate organizer frames back-to-back (compatible with straight, corner and L benches)
- To add optional organizer frame accessories, see pg. 35
