

# FOCAL™ PIVOT SEAT

## UNIQUE SEAT DESIGN

Tri-Flex Seat Cushion has built-in sitz bone contours for plush support and a waterfall edge to reduce pressure on the upper legs and promote healthy circulation.

## ERGONOMIC SEAT PAN

Seat pan is cantilevered forward to promote the optimal open hip angle.

## COLOR CHOICES

Available in four color options to suit personal preference or office décor.

BLACK (BK) / CHILI PEPPER (RD) / CITRUS (CT) / COBALT (BL)

## HEIGHT-ADJUSTABLE

Easy-adjust piston-release handles lift and lower the seat, encouraging a range of postures from active sitting to leaning.

## PIVOTING CAPABILITIES

Pivoting seat leg empowers you to move 360 degrees.

## STURDY BASE

The weighted base leverages your center of gravity to support various degrees of use, so you can rock (and not roll).

## STABILITY

Rubber Octogrip Overmold enables you to enjoy a full range of motion while maintaining control.
