

Bistro Series™ Tables

Bistro Series Tables - A Welcome Break From the Norm *Serving up a multitude of finishes and features.*

The Bistro Series™ is an exceptional line of durable tables that are ideal for break rooms, cafeterias, casual breakout spaces, or any hospitality setting. Available in dining height or bar height, the tables come in a variety of shapes and sizes to create inviting hospitality and gathering spaces. To further complement corporate environments, simply select a designer finish. Table surfaces are offered in a variety of TFL or HPL laminate choices. Plus, choose a cast iron base or go contemporary with a stainless steel base.

Light in scale, high in style, and flexible in application, Bistro Tables are a highly satisfying choice for creating a more welcoming atmosphere.

Bistro Series Tables Savor long-lasting durability

1. Ensure any gathering space takes shape.

Whether opting for dining height (29") or bar height (42"), our Bistro Tables are available in many shapes and sizes. Choose our popular round tables, from 30" to 42" in diameter. Or select square tables in 30" or 36" diameter, or peanut shaped tables either 29" or 42" high.

2. Add design flavor and create a feast for the eyes.

Mayline® offers all the right ingredients to make an appealing design statement. Tables are available in either 1" Thermally Fused Laminate, or 1 1/8" High Pressure Laminate surfaces. Choose from more than 900 High Pressure Laminates and 3 edge treatments: T-Mold, Knife-Edge, or Fluted, in corporate edge colors.

3. Keep it fresh by mixing it up.

High tops for two, low tables for four. Create a varied and comfortable environment by blending tastes and accommodating diverse user preferences.

4. Choose a base.

Select a cast iron base with 3" diameter steel tube support in Black. Or upgrade with a stylish stainless steel base that features a square tube support and four leveling guides integrated into the underside of the base. Add an optional 18" steel foot-ring for casual convenience.
