

Meeting Plus™ Training Table

Meeting Plus — Premium Tables With Mobility A top-of-the-line solution with top-to-bottom durability.

Meeting Plus™ Tables enhance environments with a substantial look and feel. They also offer exceptional durability, a host of convenient features, and mobility. The contemporary design is built with configurability in mind. Simply pick up one end of the table and roll it into place, with the same ease of motion as moving a wheelbarrow.

With such high quality and easy mobility, Meeting Plus Tables represent the plus side to every meeting.

Training Table

RECTANGULAR AND TRANSITION SURFACES

TRANSITION SURFACE

MOBILE LEG WITH INTEGRATED WHEEL

Meeting Plus

Exceptional conference and training tables.

1. Create boundless configurations.

Meeting Plus Tables offer optimum flexibility. Multiple surface shapes include standard rectangle, crescent, trapezoid, transition, and pie. Pie connectors come in three sizes—30°, 60° or 90°—to maximize configuration possibilities.

2. Modesty panels offer integrated, extra-deep cable troughs.

Smartly designed to support table-to-table pass-through for efficient cord management.

3. Integrated wheels in one foot deliver assured agility.

One mobile leg allows for easy, wheelbarrow-style mobility, so users can configure and reconfigure with ease.

4. Tables can be connected together.

Optional ganging accessory securely connects tables to create the ideal alignment.

5. Sized right at 29½" overall table height.

With an additional wide range of table widths and depths to choose from, Meeting Plus Tables provide ample options to perfectly populate any room.

stylish

Choose from over 900 standard laminates from Nevamar®, Wilsonart®, Pionite®, and Formica® at no additional upcharge. Bases are available in all Mayline standard paint colors.

powerful

A complete line of electrical accessories is available, allowing tables to daisy chain together, bringing power to the surface.
