## Storage/Evidence Cabinet

### Components:

Cabinet

Leveling Glides - 910080R (Kit OF 4)

\* No Tools Required \*

1. Cabinet is shipped from manufacturer in vertical position.
2. NOTE: Do not remove packaging material until unit is upright and in its final location. This material prevents doors from opening or closing unexpectedly when the cabinet is being moved to its final location.
3. Remove packaging. Check for concealed damage. Report damage to carrier.
4. Remove and install the leveling glides that are taped to the cabinet bottom.
5. Remove the keys which are taped to the cabinet bottom .
6. Install components as required. See installation instructions packed with each component. Call Customer Service (1-800-822-8037) for assistance if required.
