IMPORTANT!

Review ALL instructions before beginning assembly. These instructions are provided to avoid problems that may occur from improper assembly or installation. Mayline and/or its distributor are not responsible for failure resulting from improper assembly or installation of this product. Moreover, all warranties are void for failure to follow these assembly instructions.

- 1** Counting Board Installation - Due to the various wall construction methods, it is up to a professional installer to secure the Mounting Bracket (F) to the wall with the proper fasteners and/or anchors as required by the wall construction at the desired mounting location. Mayline does not take responsibility for safe, proper fastening.

To Hang Presentation Board - Position Presentation Board so that the pre-attached wall mounting bracket (See Below) is centered and above Mounting Bracket (F) and lower Presentation Board until wall mounting bracket and Mounting Bracket (F) lock together. (See Step 2)

2

2

Place foam spacer (D) at white line on the backside of the presentation board prior to attaching bracket (C). Attach the Mntg Bracket (C) to the bottom of the presentation board using screw (B) then attach the bracket to the wall using screw (A).
