

Mogo Seat by Focal Upright™

SAFCOACTIVE™

- non-slip, easy-to-clean, contoured seat cushion may help to reduce pressure points
- supports leaning posture – encourages a hip-to-torso range of 130 to 135 degrees which provides less pressure on your spine and connecting muscles when compared to standing
- indoor or outdoor use
- soft, durometer rubber foot works on non-slip, indoor surfaces
- reinforced-fiberglass turf tip keeps you stabilized on grass, dirt, and turf
- collapsible, compact, and portable design for use anywhere a seat might be needed
- pivoting seat leg has a wide range of motion, inspiring dynamic movement
- minimalist design encourages you to use muscles to support a better posture versus other traditional seating options
- includes drawstring bag for easy carrying
- multiple notches for easy height adjustments and accommodates user heights between 4'11" and 6'8"
- works with any standing desk/table and is rated up to 300 lbs.
- designed by Martin Keen
