

Hideout™ Privacy Panels

1947TN

1948GR shown with 1942WH

1942WH

- Stand-alone privacy panel and connectors can be used on any table or desktop for quick and easy space division
- Can be used on any work surface to separate space with no need for a tabletop edge to clamp on to
- Durable steel connectors with Black powder coat finish
- PET fiberboard panels provide both visual and audible privacy
- Two connector shapes and two kit options allow for a multitude of configuration options to suit any space
- "T" Personal Privacy Panel Kit contains: (1) 36"W x 17½"H panel, (2) 18"W x 17½"H panels and (2) T-connectors
- "Plus" Personal Privacy Panel Kit contains: (2) 36"W x 17½"H panels, (2) 18"W x 17½"H and (2) Plus-connectors
- Great for use in classrooms, libraries, shared workspaces, open offices, etc. to create privacy
- Pairs well with Accessory Kit (model 1942WH) for added organization
