

Collision Table

- Collision Table is perfect for quick meetings, informal gatherings, collaboration, lunches or breaks
- Bistro-height table allows for the option to stand or perch during use for a more active work option
- Includes discreet steel hooks under the tabletop for holding up to five Mogo Seats (FKS-1000, sold separately)
- Tabletop is made of Baltic birch and is available in Dry Erase, White Laminate or Black Laminate finish to suit personal preference or décor
- Table base constructed from sturdy spun aluminum for long-lasting durability
- Base includes a brushed stainless steel footrest bar for a comfortable support while standing or perching and to allow users to shift their positions
- Pairs well with leaning or perch seating to help combat fatigue caused by standing
- Bundles available to make it easier than ever to create a cohesive, active workspace
