

Heavy-Duty 4-Post Shelving

Heavy-Duty Shelving — Staying Power *A hardworking solution for hardworking environments.*

Our Heavy-Duty Shelving offers exceptional weight-load capacity and greater shelf depths to support heavier, larger items. The shelving easily accommodates taller-than-standard vertical openings as well.

With such dependable strength and performance, is it any wonder this shelving is called Heavy-Duty? Put them to work today.

Heavy-Duty 4-Post Shelving

SHELF REINFORCEMENTS & SUPPORTS

OVERSIZED DIVIDERS

SECURITY SHADE FOR PRIVACY

Heavy-Duty Shelving Built to perform reliably.

1. Store strong with durability and stability.

Heavy-Duty shelves are made of 18-gauge steel and support up to 1,000 lbs. per shelf with a 12 ¾" clearance between shelves.

2. Start easy.

Easy to assemble with no hardware required. A complete starter section unit includes two uprights, five shelves, five common stops, twelve shelf supports, shelf reinforcements as required, and one canopy top. Dividers are not included but are required when using standard common stops.

3. Get ample choices to suit storage and filing needs.

Heavy-Duty Shelving is available in single-face (18") and double-face (36") depths, and five standard widths (24", 30", 36", 42", or 48" wide). Oversized dividers adjust on 3" centers.

4. Choose the right uprights.

Choose from either closed "L" uprights or closed "T" uprights. "T" uprights are normally for internal range support, while closed "L" uprights provide a more finished external appearance.

5. Add security.

Add a Security Shade as an affordable alternative for privacy. This vertical locking tambour door easily installs onto existing 4-Post Shelving. Offered in three widths and three heights. Doors in Graphite only. Steel housing in 15 standard colors.

compatible

Heavy-Duty Shelving is compatible with Mayline's Mobile 1000™ and Mobile Lite.

eco-friendly

Heavy-Duty Shelving carries the Intertek® mark verifying emission standards certification. Many of Mayline's high-density storage products are likewise certified for indoor air quality.
