Corsica Veneer Casegoods — Refined Sensibility

Priced-right elegance and sophistication.

At home in both traditional and contemporary settings, Corsica® offers a level of quality and refinement typically reserved for higher end wood furniture. Available with a wide variety of storage options and conference solutions, the series provides the perfect solution for a business or home office. It can be configured for private offices and team workspaces to provide visual continuity throughout any organization, or make a comfortable style statement for the small office entrepreneur.

OCCASIONAL TABLES

Corsica
Elite style that's
eminently affordable.

1. Impressive upscale appearance.

Table surfaces are 2" thick and feature beveled black edges. The segmented desk surfaces create an elegant, unique appearance with either bow or straight-front surfaces.

2. Choose from two rich colors.

Enhance office environments with furniture in either Sierra Cherry on Cherry Veneer, or Mahogany on Walnut Veneer.

3. Elegant lines and excellent durability.

Corsica® features AA-grade select North American hardwood veneers throughout and protected with two final topcoats of durable UV cured finish.

4. Conference tables in a wide array of sizes.

Corsica conference tables are available from 6' to 30' in length, or a 42" round table. All tables larger than 96" long have multi-piece top surfaces connected via steel fasteners and plates. Pedestal bases route cords and conceal floor outlets.

5. Complements and coordinates.

Office furniture coordinates seamlessly with conference furniture.

powerful

A variety of power outlet/data jack combinations can be field-installed into all desks and conference tabletops.

simple
