

Cohere™ Tables

Cohere Tables - Go Anywhere, Do Anything The single table line with multiple personalities for today's dynamic workplaces.

When the room calls for a colossal conference table. When flip-top training tables are needed. Or when bar-height cafeteria tables are on the facility's must-have list. Each and every time, Cohere™ is the perfect solution. The single table line can go anywhere and do anything. Multiple top shapes and leg styles can be combined in virtually infinite ways, while simple lines and a shared foot design deliver a single understated aesthetic that complements and unifies office space.

With conference tables, flip and nest and stationary training tables, bistro tables and more, Cohere maintains a coherent, cohesive look and feel for every need.

OCCASIONAL TABLES IN LOUNGE SETTING

BOAT-SHAPED CONFERENCE TABLES

BAR HEIGHT HOSPITALITY TABLES

Cohere Tables Cohesively complementary.

1. Plays well with others.

A variety of tables for collaborating, learning, meeting, or socializing. Can be combined in creative and useful ways. Simple lines blend seamlessly with surroundings and other furnishings.

2. Mobile Flip & Nest Tables. are ideal for training rooms.

Ideal for training rooms or any application that requires frequent reconfiguration. Locking casters and optional ganging hardware provide stability, but easily disengaged when moved. Choose standard black casters or optional white nylon casters.

3. Change the shape of training.

Transition tables allow for creative formations—V-shapes, U-shapes, semi-circles, and more. Choose fixed-height or pin-height adjustable tables to encourage healthy posture variations during long sessions.

4. Conference Tables make meetings easy and effective.

Cohere offers full-size rectangular or boat-shaped conference tables to meet any need. Round conference tables are offered in three sizes, perfect for small groups and collaborative sessions.

5. Versatility and visual harmony.

Dining-height and bar-height tables vary the visual landscape in cafeterias and break rooms. Round and square Occasional Tables add style to public areas and spaces.

cohesive

Cohere is a complete and comprehensive table line. Every table within the line is designed to complement and flatter.

expressive

More than 900 standard laminate options allow plenty of creative latitude. Different tables offer different base options, each of which beautifully complements the others. Bases are available in a black, silver, or white powdercoat finish, with optional polished aluminum feet.
