

## Flip-N-Go® Training

### Flip-N-Go, The Upside of Training Spaces *Easy to move, easy to store, easy to love. Simply Flip-N-Go.*

Intuitive and highly functional, Flip-N-Go® training tables are time-saving workhorses. With effortless maneuverability, and legs designed for easy nesting and quick storage, the durable tables provide optimal convenience.

Not only do Flip-N-Go tables perform beautifully, but they are also as attractive as they are practical. With more than 900 standard laminates to inspire a creative aesthetic, and the choice of black or silver frames, the cleanly designed solutions make a harmonious statement in any training environment.

TRAINING CONFIGURATION

TRANSITION TABLES NESTED

INTEGRATED MODESTY PANEL

## Flip-N-Go Smooth operators.

### 1. Two frame choices.

Legs (frames) available in either black or silver.

### 2. Tech-savvy features.

Surface-mount power data or USB, as well as daisy-chain electrical options.

### 3. Modesty panel ensures efficient nesting.

An integrated modesty panel with built-in cable trough accommodates power kits, yet still allows for trouble-free nesting without interference.

### 4. Alternative configurations.

Secure tables together using the ganging accessory included for added sturdiness. Add transition tables and pie connectors to create different or elaborate configurations to fit any training environment.

## coordinate

It's easy to coordinate a complete training room with solutions that create a collective aesthetic and complement Flip-N-Go choices. Add a Keep™ Mobile Unit and Lectern to complete your space.

## versatile

Intuitive design allows tables to nest neatly together in a straight row. Tables available in rectangle, crescent, trapezoid, transition and pie top options to create a variety of environments.

## mobility

It doesn't take much to put Flip-N-Go to work. Simply roll the tables into place and lock the casters. Dual-sided levers allow for easy flip action. When they're not in use, tabletops tilt and lock for easy nesting and storage.

## stylish

With more than 900 standard laminates, edge treatments, standard grommet options and the choice of frame color, Flip-N-Go tables make a harmonious statement.
