

Commute® Seating

Commute Seating — A Distinctive Silhouette *Simple to specify and simple to use.*

Commute® is the perfect seating choice for today's office environments. It offers easy, intuitive fingertip adjustment of height, tilt, recline, and seat slide. The Commute chair fits users from small to tall just by leveraging the seat slider—a standard feature on Task and Executive models. A mesh or upholstered back, along with Black or Chrome kits allow Commute's unique profile to comfortably adapt to any environment.

Commute is the simple solution for every body, and simply a better deal than other chairs in its class.

TASK CHAIR

MULTI PURPOSE CHAIR

Commute Seating

Leave the hassles behind.

1. Get user-friendly ease and comfort.

Commute® Executive and Task Chairs offer a synchro-tilt seat mechanism, seat slider, tilt tension, and tilt lock that allow for simple adjustments and greater user comfort, all with minimal effort.

2. Additional features common to Executive and Task Chairs.

Both models share several desirable features including the choice of ordering with height-adjustable T-arms or without arms. Both models boast a fully upholstered seat, and both models offer the choice of a Black or Chrome base, cylinder, and casters.

3. Choose the model and style suited to your preferences.

Want the more upholstered look and feel? The Commute Executive Chair features a fully upholstered seat and back, while the Commute Task Chair offers a black mesh back.

4. Commute anywhere with Multi-Purpose Chairs.

They're versatile enough to work in any conference or meeting area, and mix well with open-plan environments. Multi-Purpose Chairs offer an upholstered seat with a Black mesh back and Black base, cylinder, and casters. The chairs are available with fixed loop arms or without arms.

coordinating

Select either black mesh back or fully upholstered back, both are available in 150+ Momentum® graded-in fabric options.

accommodating

Commute meets ANSI/BIFMA performance requirements. The chairs have a 250 lb. weight rating.

easy

All Commute models ship nearly assembled. Simply attach the cylinder, base, and casters. Packaged 1 chair per carton.

rapid
