

Safco® Steel Guest Stool, 15"

Model # 6603

The Safco® Steel Guest Stool, 15" – is a sturdy, all steel stool that is great for use in a variety of spaces. The easy-to-clean powder coat finish is durable and chip-resistant for a long-lasting seating option. These stools include choice of nylon leg caps or leveling glides to protect floors from scratches or scuffs. The hole in the top of the seat allows the chair to be easily grabbed and carried to allow for portability between spaces.
