

SOHO Desking

SOHO — Small Office/Home Office Selections Because every office deserves the right furnishings.

Looking for office furniture for a tiny space? The SOHO Collection by Mayline® offers simple, yet stylish options for compact modular office furniture - specifically designed with small work spaces in mind.

Ideal for start-ups, small offices, home offices, or wherever space is limited, the smaller footprint of these compact workstations takes up less floor space, but still provides plenty of work surface area without compromising functionality or style.

All new SOHO products qualify for our Fast Freight and Quick-Ship programs.

SOHO Desking Big benefits for small spaces.

1. Highly functional, freestanding modular desks.

The SOHO line features smart, organizational options that are both affordable and accessible. From perforated steel to textured laminate, from simplistic traditional desks to sleek contemporary glass-top designs, our SOHO collection may be small, but it has lots of style to offer.

2. SOHO + Mobility = Small Office/ Home Office Bliss!

A wide selection of PC/laptop workstations, mobile pedestals, and mobile multimedia carts offer the technology support you need while meeting personal work styles.

3. Accent shelving options to complete small-office environments.

With distinctive styling, clean lines, and contemporary look, a variety of shelving and bookcase options can complement your office. Many desks/workstations include built-in shelves and/or pedestals for storage.

accommodating

Compact workstations come in different styles, sizes, and shapes so you can get just the right amount of work surface and storage space to accommodate your daily tasks.

stylish

Simplistic yet elegant, our SOHO options offer a streamlined look and finishes that will wow.

resourceful

With functional features that keep all technology organized and in easy reach, plus space-saving sensibilities and mobility throughout much of the line, our SOHO collection is a prudent choice to support small-office performance.
