	Base Leg			Top Support	

## IMPORTANT!

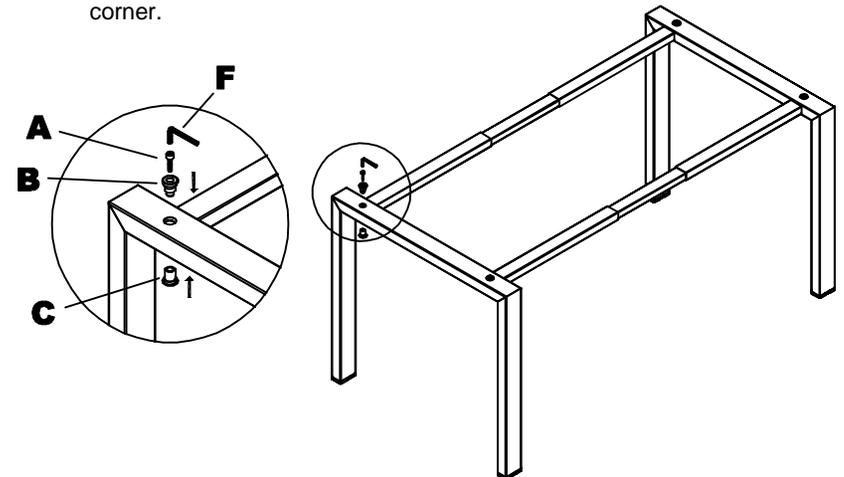

**Review ALL instructions before beginning assembly.** These instructions are provided to avoid problems that may occur from improper assembly or installation. National Business Furniture and/or its distributor are not responsible for failure resulting from improper assembly or installation of this product. Moreover, all warranties are void for failure to follow these assembly instructions.

**2**

- 1** Insert Top Supports (F) into Base Legs (E).

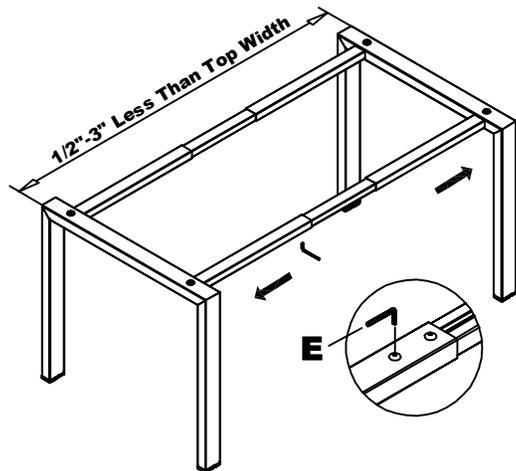

- 2** Attach Top Supports to Legs by placing Lower Bushing (C), Qty 1, into hole on the bottom of the Leg and Upper Bushing (B), Qty 1, into hole on the Top of the Leg. Using Cap Screw (A), Qty 1, and 6mm Allen Wrench (F), fasten Legs and Supports together. Repeat for each corner.

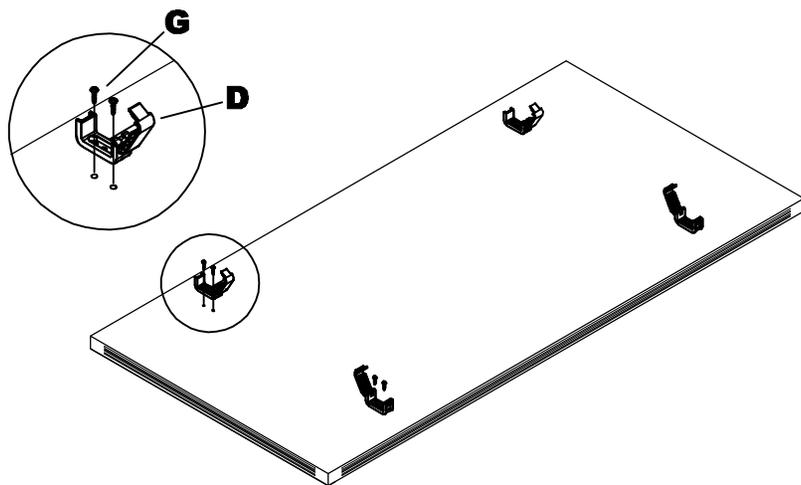

**3**

- 3** Separate top supports until base is to desired width, see illustration. Lock base in place by tightening pre-installed Set Screws, Qty 8, in bottom of supports using 5mm Allen Wrench (E). Do Not Overtighten.

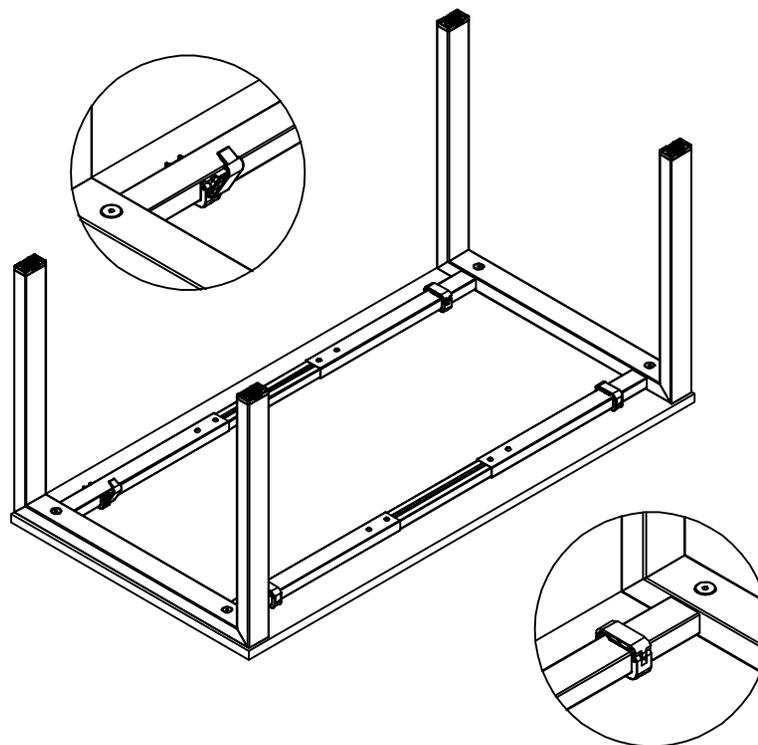

- 4** Place Top (Separate Carton) upside down on a clean, flat surface. Attach Top Mounting Clips (D), Qty 4, to underside of top at pre-drilled hole locations using Screw (G) Qty 8.

**4**

- 5** Carefully flip the Base upside down and place on the Top so the Top Supports rest in the Mounting Clips. Fold over the Clips to lock them in place. With one person per side, carefully flip the Table upright on it's base.
