

Portable Freestanding 28"H Acrylic Sneeze Guard with Document Pass-Through

Model # 7500

With a clear, all-acrylic construction and freestanding design, Safco's portable sneeze guard with document pass-through allows workers and customers to speak and interact visually while establishing a physical barrier to help reduce exposure to droplets produced by sneezing, coughing and talking. Convenient pass-through opening accommodates small exchanges of documents or money. Portable design for easy repositioning. Ideal for reception stations, cashier stands, teller windows, service counters and personal desks. Easy to clean and wipe down. Simple assembly - no tools required. Panel measures 29.5"W x 28"H x 8"D; pass-through opening measures 12"W x 5"H.
