

## ▶ HAND SANITIZER STAND

### ▶ 7512GR - Hand Sanitizer Stand

- Important component in creating a comprehensive Post-COVID19 return-to-workplace strategy for employees, customers, clients and guests
- Sturdy steel stand combines with a separate hand sanitizer cartridge (not included) to help provide easy access to germ-reducing solutions
- Connect hand sanitizer cartridge to stand mechanically using the pre-drilled mounting holes or simply affix using double-sided tape
- Drip tray below mounting plate helps reduce instances of small amounts of hand sanitizer spilling onto the stand base or floor
- 8.5" x 11" signage plate at the top of the stand provides space to post rules, notices or important wayfinding instructions using magnets or double-sided tape
- Economical round base with rubber bumper feet offers a small footprint appropriate for use on carpet or hard floors
- Chip-resistant powder coat finish promotes easy cleaning and long-lasting durability in a variety of indoor environments
- Perfect for placement near entryways, reception areas, breakrooms and restrooms
- Pre-drilled mounting holes compatible with a range of common touch-free hand sanitizer cartridges
- Assembly required – Hand sanitizer cartridge and mounting hardware not included
- Hand Sanitizer Stand: 12"W x 12"D x 61¼"H
