

► MODULAR WELLNESS GUARDS

Create custom configurations – large or small – to suit your specific space needs and help keep customers and employees safer in today's world

Mix and match components to design a unique arrangement of transparent partitions that complement your office, retail, hospitality, or educational space. Featuring clear acrylic panels and heavy-duty, powder coated metal hardware, these modular guards assemble with ease and offer a variety of mobile and permanent installation options.

Counter-height stands and mounts work with a single acrylic frame on elevated surfaces, or on the floor with two acrylic frames stacked. Tall stands and mounts require just one acrylic frame and only function on the floor. Made in the USA.

Retail

Components

7552BL - \$390

Modular Guard Acrylic Frame

Core partition component of the Modular Wellness Guards product line.
31½"W x ¾"D x 31½"H

7553BL - \$350
