# IMPORTANT!

Review **ALL** instructions before beginning assembly.

These instructions are provided to avoid problems that may occur from improper assembly or installation.

SAFCO and/or its distributor are not responsible for failure resulting from improper assembly or installation of this product. Moreover, all warranties are void for failure to follow these assembly instructions.

NOTE: Insert Cams first, and align arrow towards the hole the cam post fits into.

NOTE: Insert Cams first, and align arrow towards the hole the cam post fits into.

**6** F1 5

**7** S 2 T 4 U 8

NOTE: Step only if RESHDRKT or RESHGDRKT are ordered

- 8** Mounting Board Installation - Due to the various wall construction methods, it is up to a professional installer to secure the Wall Mounting Board to the wall with the proper fasteners and/or anchors as required by the wall construction at the desired location.

**Safco does not take responsibility for safe, proper fastening.**

To Hang Hutch - Position hutch so that Hutch Assembly is above Wall Mounting Board and lower Hutch Assembly until Wall Mounting Board lock together.
