

Zenergy™ Ball Chair

Model # 4751

Zenergy™ ball chairs are a unique seating option that encourages movement throughout the day and may help support better posture and balance. This ball chair is covered in easy-to-clean vinyl and also has four legs with stationary glides to provide extra stability during movement. The legs are powder coated for long-lasting durability. Great for use as a desk chair, in waiting rooms, meeting spaces, classroom or home for an alternative chair that allows for dynamic movement. Vinyl option is great for hospitality settings or school settings as it can be easily cleaned.
