

EVEN™ Worktables

EVEN Worktables — “Even” easier than easy **Quality and value in a simple workstation offering.**

Need a basic, yet quality workstation for your small office, temporary worker space, or for those occasionally in the office? EVEN™ Worktables are the answer! A simple starter workstation with a lean design, EVEN is highly functional and perfect for collaborative spaces.

EVEN is a dual-sided workstation that can be configured for 2, 4, 6, 8, 10 or 12-person teams and is designed with minimal components. Easy to specify with starter, adders and preconfigured assemblies, along with a slat wall divider for added privacy and productivity, EVEN is a great choice when space and/or resources are limited.

EVEN Worktables Evenly balanced and proportionate.

1. It takes Two to Tango.

Dual-sided tables are available in 24" or 30" depth, by 48", 60" or 72" width. Your choice of 1" H. TFL in Driftwood (Gray) or Designer White; or 1-1/8" HPL Laminate work surfaces. All surfaces have pre-cut wire drop feature.

2. Made to Accessorize.

Add a Silver Slatwall divider with or without a privacy panel on top, and add file/paper/pen holders for added efficiency. A plug-in surface power module, undersurface wire management basket, and pedestal offers plenty of options to personalize your space.

3. Specifying is a Breeze.

Why get involved with an overcomplicated system? Simply put, EVEN Worktables are easy-to-specify with a starter, adder and preconfigured assemblies, and makes it easier than easy.

4. Collaboration goes "Hand in Hand".

Whether you need a 2-person or a 12-person workstation, or even more, EVEN is the perfect workstation choice for collaborative spaces while still promoting productivity.

5. Tables that Deliver.

The EVEN Worktables not only deliver simplicity and versatility, but the price point, quality and design deliver on overall value.
