

## EXTENDED-HEIGHT LAB STOOL

- extended-height, adjustable, backless lab stool with upholstered vinyl seat
- pneumatic seat height adjustment; Seat height range: 22-32" H
- 18" chrome foot ring prevents feet from swinging and wraps all the way around the stool for access from any seated position; Raising legs and feet onto the footring may support muscular relaxation and less restricted blood circulation
- stool rotates full, 360-degrees
- black five-star hooded caster base with dual-wheel casters
- weight capacity: 250 lbs.
- assembly required
- product meets or exceeds ANSI/BIFMA office furniture safety and performance standards
