

## FOOT PEDAL LAB STOOLS

- pneumatic lift adjusts height with simple foot pedal plate or with the height adjustment lever
- engage the foot pedal plate, simply use your heel and press down
- foot pedal operation allows for a hands-free adjustment
- five-star nylon base for stability
- easy-to-clean vinyl for easy maintenance
- meets ANSI/BIFMA testing for user safety
- saddle seat helps keep hips engaged, encourages better posture
- perfect for use in labs, hospitals, design studios and personal workspaces. Also works great alongside TeckWorks® Workstations, work benches or adjustable-height desks
- available to ship within 48 hours
