

Resi® LED Floor Lamp

Model # 1017

Illuminate your space efficiently with the easy-to-order and assemble Resi Gooseneck LED Floor Lamp. Ready to ship within 48 hours via common carrier, this versatile lamp features a head that rotates 45 degrees left or right and a gooseneck design that's flexible 360 degrees. LED lighting and a nine-hour shut off delay saves energy if you forget to turn the lamp off when you leave for the day. Select color temperature or dimmable modes with the simple press of a button.
