

Resi® Ped

Model # RESPED

Store important files and work tools close at hand with the mobile Resi Ped. A white laminate exterior with knife-edge finish on the front offers a modern aesthetic that will elevate your space. Five white casters are highly durable and allow you to easily move the storage pedestal anywhere you like it. Then, simply lock the three front casters in place for safety once you're done. The two lockable drawers and file cabinet offer plenty of space for storage and organization, and feature steel drawer pulls with a versatile satin finish.
