

# Safco® Simple Storage

**Model # 5507**

Whether you are setting up your home office or creating the ideal learning space, this small-scale yet multi-functional storage unit will keep things tidy. With a laminate top and black powder-coated metal frame, this storage unit pairs perfectly with our Simple Work or Study Desks to create a seamless aesthetic in your home. The versatile design accommodates book storage, display, and even extends the work surface of your desk. Ships quickly, arrives intact, and assembles easily for a hassle-free experience.
