# Vy™ Seating

Share • Focus • Learn • Create

**Vy™ seating** combines portability, cleanability, and stackability to create a practical solution for multi-purpose spaces, collaboration zones, and other areas where guest seating is needed. A simple design allows this suite of chairs to be integrated within any environment.

**Straight Leg Stack Chair**

The Vy straight leg stack chair features a plastic seat/back with a steel powder coat frame with Silver finish. It stacks up to 12 high on the floor and up to 18 high on a cart. This sturdy chair is rated up to 350 lbs., has casters for mobility, and offers small-scale aesthetics. Comes packed 2 chairs per carton.

**Sled Base Stack Chair**

The Vy sled base stack chair is a plastic stackable chair that stacks up to 5 high on the floor, and up to 15 high on a cart. The sturdy sled base is a wall saver frame to help prevent scrapes and marks against any surface, and the steel powder coat with Silver finish offers extra durability. Comes packed 2 chairs per carton.

Origin Clay Seat fabric

**Bistro-Height Chair**

Get connected with the Vy bistro chair, perfect for standing-height tables or café-height work areas. The seat is 30” high, giving workspace a little extra boost. All plastic seat/back with a steel Silver powder coat frame for durability. Sled base with stabilizing feet keeps the chair in place.

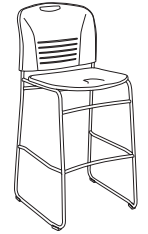

Counter Height Chair

Ensure there is always a seat at the table with the Vy sled base counter-height chair that features a stackable sled base frame with glides. Stools have a plastic seat/back, accented by a steel powder coat frame with Silver finish that can stack 4 high on the floor. The 25" seat height is perfect when paired with 36" high worksurfaces.
