

Oasis™ Teaming Tables

- Seats up to six people for easy collaboration in any space
- Standing-height option helps promote an active working environment and pairs well with leaning or perch seating to help combat fatigue while standing
- Includes leg levelers for stability on uneven surfaces
- Sturdy steel frame with Black powder coat finish for chip-resistance and durability
- High pressure laminate tabletop available in Cherry or Weathered White to suit personal preference or decor
- Contemporary sleek leg design creates a professional aesthetic in any space
- Great for use in open offices, meeting rooms, touch down spaces, training spaces, etc.
