Options

Functional and adaptable.

The Safco Wire Desk is the perfect tool for on-the-go jobs! It features a black melamine top, a sturdy, black powder-coat finish, steel frame for durability, a double-braced shelf for resting feet or light supplies and four swivel casters (two locking) or four floor glides to meet space needs; choose casters or levelers during assembly.

Complete your desk with the Under-Desk Printer/Fax Stand (5206BL) and the Deskside Wire Machine Stand (5207BL) sold separately Easy assembly, no tools needed except small wrench to secure/tighten casters.
