Managing waste is easier than ever.

This versatile receptacle hub is a configurable and customizable recycling system that can include multiple compartments and be labeled with vinyl decals to organize what goes where. Available in Rectangular and Half-Round bases that can be arranged in a variety of ways to suit any space. The sturdy steel construction with a powder coat finish adds durability and all vinyl decals are applied prior to shipping for added convenience. A retainer ring in bases holds bag in place. All bases can be purchased with or without vinyl decals. Available in Black, Blue or Green to suit a variety of personal preferences and decor or to easily designate different waste or recycling options.
