Industrial chairs.

Rated for intensive use, seat and back are covered with black micro-cellular, self-skinning polyurethane foam and a high, mid and low-rung polypropylene footrest that mounts securely to the 26" diameter base. Featuring a padded 2 $\frac{1}{2}$ " seat cushion, seat tilts 10° with paddle lever controls, 8" pneumatic lift, backrest tilts 22° and a patented wave tube extension offers an additional 10" of height. Weight capacity is 250lbs. Assembly required.
