

MUV™ STAND-UP DESK

LONG-LASTING CONSTRUCTION

Durable $\frac{3}{4}$ " melamine laminate work surface and shelves.

COLOR CHOICES

Available in Cherry, Gray or Medium Oak finish to suit personal preference or office décor.

CHERRY (CY) / GRAY (GR) / MEDIUM OAK (MO)

ADJUSTABLE KEYBOARD HEIGHT

Keyboard tray height can be adjusted in 5" increments for personalized comfort.

CORD MANAGEMENT

Molded side panels can be used to hide computer cables for a more organized workspace.

RETRACTABLE KEYBOARD

Keyboard shelf extends 9 $\frac{3}{4}$ " and can retract under the work surface to save space.

ENCOURAGES MOVEMENT

Standing desk height encourages more movement and posture changes throughout the day, for a more active working experience.

DURABLE

Steel frame with powder coat for added durability and chip-resistance

ADJUSTABLE SHELVING

Printer tray height can be adjusted in 5" increments.

EASY TO MOVE

Mobile on four swivel casters (wheels) to make it easy to reconfigure the workspace; two casters can lock for stability while working.
