

# MUV™ STAND-UP ADJUSTABLE-HEIGHT DESK

## COLOR CHOICES

Durable ¾" melamine laminate work surface and shelves; available in Cherry, Gray or Medium Oak finish to suit personal preference or office décor.

CHERRY (CY) / GRAY (GR) / MEDIUM OAK (MO)

## CUSTOMIZABLE HEIGHT

Height-adjustable standing desk can be adjusted in 1" increments, during assembly, to suit a variety of user heights.

## LONG-LASTING CONSTRUCTION

Durable steel frame with powder-coat finish for chip-resistance.

## RETRACTABLE KEYBOARD SHELF

Decorative molded side panels can be used to hide computer cables for a more organized workspace.

## CORD MANAGEMENT

Decorative molded side panels can be used to hide computer cables for a more organized workspace.

## ENCOURAGES MOVEMENT

Standing desk height encourages more movement and posture changes throughout the day, for a more active working experience.

## EASY TO MOVE

Mobile on four dual-wheel carpet casters (wheels), allowing users to quickly and easily reconfigure their workspace; two casters are locking for stability during use.
