

SCOOT™ SHIFT STANDING-HEIGHT DESK

SHIFT YOUR PERSPECTIVE

Scoot on over to versatility with the Scoot™ Standing-Height Desk. This unique desk has a work surface that shifts out from its nested position for additional workspace as needed, allowing you to easily stand out in your field.

PRODUCT SPECS & FEATURES

Scoot™ Shift Standing-Height Desk 1974BL

- Versatile, standing-height desk option that can help save space
- Top portion swings open to provide additional workspace or nests to reduce footprint of the product
- Shifting work surface can be mounted on either right or left side during assembly to suit the space and the user
- Standing height helps promote an active working environment and may help promote additional calorie burn and increased focus over sitting
- Constructed of a durable steel frame with powder coat finish for chip resistance
- Durable laminate desktop
- Complements the entire Scoot line of products for a cohesive work environment
