DESKTOP SIT/STAND LAPTOP WORKSTATION

HEIGHT-ADJUSTABLE

Adjustable arm allows the platform to be raised to standing height, which may promote better posture, optimal viewing comfort and help alleviate eye strain.

SPACE SAVER

Entire assembly can swivel out of the way to provide better access to the desk surface as desired, allowing the user to save valuable space.

CORD MANAGEMENT

Cables easily concealed within adjustable arm for a neat, cord and clutter-free desktop.

LIFT-AND-TILT MOVEMENT

Easy lift operation, no knobs or levers needed to adjust.

ENCOURAGES MOVEMENT

Standing desk height encourages more movement and posture changes throughout the day, for a more active working experience.

EASY ATTACHMENT

Retrofits to most desk and work surfaces.

C-CLAMP FIT

Heavy-duty, sturdy mount C-clamp is compatible with desk and tabletops up to 3" thick.
